

FORBES REALTY TCI

North District Traditional Salt Raker Cottage

This early 1900s Salt Raker home sits in a very quiet neighborhood with lovely sunset views, across from the beautiful salinas where the windmills are being restored. Flamingos and rare birds visit the pond daily. This home was damaged by the two hurricanes that hit Salt Cay in 2017 and is in need of a total make over. It is a 3 bedroom 1 bath home, with kitchen living room and dining area. There is no apparent damage to the strong block walls and structure of the house, but is in need of a new roof and interior renovation. This home could be renovated back to a fantastic island home or rental property.

Asking \$149,000 USD
