

FORBES REALTY TCI

Beachfront Home & Guest House

This is a lovely home with sandy beach front access located within 5 yards of the gorgeous sunset side of the island. The main house has two bedrooms, 1/2 baths, split bedroom floor plan, high vaulted ceilings and open floor plan. This house was built in 2002 and has been lovingly maintained as a single family owner and never used for rental but would be an excellent turnkey rental property. In 2009, a one bedroom, one bath cottage was added to this 1/3 acre property, excellent for use as a rental property or extra guests/family offering privacy from the main house. All furnishings, appliances, linens, dishes and cookware are included in the sale.
